The screenshot shows a search interface titled "Search for an agent". It features a "Search map" button with a right-pointing arrow. Below the map is a "Location" input field with a placeholder text: "eg. country, state, city, town, suburb, postcode". Underneath is an "Agent" input field with a placeholder text: "eg. agent's family name or MARN". A blue "Search" button is positioned below the input fields. At the bottom of the interface, there are two links: "More search options" and "Clear".
